NET CONTENTS: 59 ml

DIRECTIONS FOR USE: DO NOT apply to surfaces that may come into contact with food/feed. Cover or remove all food/feed. Cover all food/feed processing surfaces, equipment and utensils or thoroughly wash following treatment. Shake Well Before Using. Remove cap from bottle. Apply around animal's nose, ears, mouth, also around wounds, and other surface lesions.

Do not put solution directly in animal's eyes, mouth or wounds. Do not apply more than once every day. Replace cap after use. Do not use on animals under 12 weeks of age. Consult a veterinarian before using on sick, aged, pregnant or nursing animals or animals receiving drug or other pesticide treatment. A veterinarian should be consulted when a pest infestation continues to be a problem on the animal.

PRECAUTIONS: HUMANS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Accidental ingestion may cause diarrhea. Possible convulsions and respiratory failure if excessive quantities are ingested. May irritate eyes. Avoid contact with mouth eyes, skin and clothing. After handling or applying, wash hands (or any other skin that came into contact with the product) with soap and water. Use ONLY in well-ventilated area, preferably outdoors. Avoid contact with treated animals until dried. DO NOT allow product to contact non-target surfaces. **ANIMALS:** Do not use on horses intended for slaughter.

FIRST AID: HUMANS: IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. IF IN EYES, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration number with you when seeking medical attention. **ANIMALS:** Sensitivities may occur after using ANY pesticide on animals. If signs of sensitivity occur, bathe animal with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS: Toxic to fish. Do not apply this product directly to aquatic habitats (such as lakes, rivers, ponds, prairie potholes, creeks, marshes, streams, reservoirs, ditches and wetlands) estuaries or marine habitats. Do not contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

DISPOSAL: Do not reuse empty container. Wrap and dispose of empty container with household garbage.
