**PRECAUTIONS**  
**HARMFUL IF SWALLOWED**  
**CAUSES IRRITATION**  
**AVOID CONTACT WITH EYES, SKIN AND CLOTHING**  
**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

**FIRST AID**

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**TOXICOLOGICAL INFORMATION**

This product may cause severe irritation to the eyes. Overexposure to 2,4-D may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness or nausea. Treat symptomatically.

**DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

Formulations made from this manufacturer's concentrate containing 2,4-dichlorophenoxyacetic acid may have different properties and uses. Manufacturers and formulators should develop their own use and precautionary labelling based on the intended uses and properties of their own finished formulations and in accordance with all pertinent laws and regulations.

**USE PRECAUTIONS**

Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water used for irrigation or domestic purposes. Do not store near fertilizers, seeds, insecticides or fungicides. Thoroughly clean equipment used with this product with a suitable chemical cleaner before use for another purpose.

Do not reuse empty containers.

**For spills** (use appropriate safety equipment): Sweep up or shovel small spills into suitable containers for recovery or disposal. For large spills contact Corteva Agriscience Canada Company at 1-800-667-3852. Do not clean up with water.

**DISPOSAL**

Canadian formulators of this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

If involved in fire, use water fog, foam, CO<sub>2</sub> or dry chemical. If fighting fire, use pressure demand self-contained air supply. Noxious fumes may be produced under fire conditions. Contain water from fire fighting to prevent entry to water supplies.
