BASF CHLORMEQUAT CHLORIDE 750 Manufacturing Use Product is registered for manufacturing purposes only. Formulations made from this concentrate may have different properties and uses. Therefore, formulators and manufacturers should develop their own use and precautionary labelling based on their own finished formulated products, and in accordance with all pertinent laws and regulations.

DIRECTIONS FOR USE

To be used only in the manufacturing of a herbicide which is registered under the *Pest Control Products Act*.

RESTRICTIONS AND LIMITATIONS

Do not apply directly as is to crops.

PRECAUTIONS

1. PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.
2. Harmful if swallowed.
3. Do not inhale vapours.
4. Avoid contact with eyes, skin and clothing. May cause eye or skin irritation.
5. Wash well immediately after handling and before eating, drinking and/or smoking.
6. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.

FIRST AID

If swallowed: Call a poison control centre or doctor IMMEDIATELY for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin IMMEDIATELY with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.
