NET CONTENTS: 170 g

Repels House Flies, Stable Flies and Face Flies from wounds and open sores. Also kills them on contact. Effective for hours.

DIRECTIONS FOR USE: FOR HORSES AND PONIES: A Fly Repellent for Wounds and Sores. To treat superficial wounds, abrasions, sores, and scratches, apply enough ointment to cover the wound. Using a clean cloth, apply directly to the wound and use daily if necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Not for use on humans. Wash hands after using. Do not continue treatment if skin irritation develops. In case of deep wounds or infected sores, consult veterinarian.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing.

Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Accidental ingestion may cause diarrhea. Possible convulsions and respiratory failure if excessive quantities are ingested. This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

ENVIRONMENTAL HAZARD: Toxic to fish. Do not apply this product directly to aquatic habitats (such as lakes, rivers, sloughs, ponds, prairie potholes, creeks, marshes, streams, reservoirs, ditches and wetlands) estuaries or marine habitats. Do not contaminate irrigation or drinking water supplies, or aquatic habitats by cleaning of equipment or disposal of wastes.

DISPOSAL: Do not reuse empty container. Dispose of empty container by placing in household garbage.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
