A LIQUID BLEND OF SODIUM HYPOCHLORITE FOR USE AS A BIOCIDES IN OPEN RECIRCULATING COOLING WATER SYSTEMS.

DIRECTIONS FOR USE:

For use with closed loading and transfer systems only.

Dosages and method of application of CSW 20 Microbiocides will depend on the type of equipment to be treated and the type and quantity of microbiological life involved.

Initial dosage of CSW 20 Microbiocides should be 50 ppm (0.5 L per 10 000 litres of water in the system). Continuing dosages should be applied at 25-50 ppm (0.25-0.5 L per 10 000 litres of water in the system) at intervals of 2 to 3 days or as needed to maintain satisfactory control.

Slug additions should be made to cooling tower basin or sump, or at an alternate point which provides good mixing.

NOTE: The water in the systems treated with this product must not come into direct contact with food or beverage. Residual chemicals from the product on the exterior of cans, bottles or other containers are effectively removed by potable water wash at discharge end.

PRECAUTION STATEMENTS: KEEP OUT OF REACH OF CHILDREN

CORROSIVE to the eye. **DO NOT** get in eyes. Corrosive to the skin. **DO NOT** get on skin. Harmful if swallowed or inhaled. Avoid breathing vapour and sprays. Avoid contact with skin and eyes. Do not use in potable water systems. Wear long-sleeved shirt, long pants, chemical-resistant gloves, protective eyewear (goggles or face shield), socks and shoes when handling this product.

ENVIRONMENTAL PRECAUTIONARY STATEMENT: Toxic to aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using this product.

This registration is granted under the Pest Control Products Act and does not exempt the user from any other legislative requirements.

Use of this product and management of any resulting discharge or release of effluents containing this product must also be in accordance with the Fisheries Act and with any other applicable federal or provincial legislation.

Consult with provincial regulatory authorities on any authorizations or other requirements for use of this product and management of any resulting discharge or release of effluents containing this product.

STORAGE: Store this product away from food or feed.

FIRST AID:

If in eyes, Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing, Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Keep patient warm. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Contains sodium hypochlorite. Treat symptomatically.

DISPOSAL:

1. Triple- or pressure- rinse the empty container. Add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DISPOSAL (for returnable containers):

Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

KEEP FROM FREEZING

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
