READ ENTIRE LABEL BEFORE USING PRODUCT.

• Cleans • Sanitizes • Deodorizes

Quick Dependable Cleaning: For water soluble stains.

Use NOW Pressurized Spray Liquid Foaming Cleaner and Sanitizer, the non-rinsing cleaner, on all water soluble stains. NOW Pressurized Spray Liquid Foaming Cleaner and Sanitizer cleans, deodorizes in one easy operation. NOW Pressurized Spray Liquid Foaming Cleaner and Sanitizer also sanitizes hard inanimate environmental surfaces.

Use NOW Pressurized Spray Liquid Foaming Cleaner and Sanitizer to spot clean rugs, upholstery, drapes, to clean soils and fingerprints from walls, woodwork, etc.

Excellent for cleaning sinks, basins, shower stalls, counter and table tops, etc.

DIRECTIONS FOR USE: SHAKE WELL BEFORE USING. For sanitizing hard surfaces spray over surfaces, allow 10 minutes contact then wipe clean.

FOR CARPETS, shake and spray over spotted area. Gently work in foam with soft bristle brush. Blot up stain with a paper tissue or towel.

Note: To prevent clogging due to any build-up of concentrate, wash the actuator after each use.

PRECAUTIONS: DANGER - KEEP OUT OF REACH OF CHILDREN. Corrosive to eyes.

Contents under pressure. Do not puncture or incinerate this container. Do not use or store where temperature will exceed 49°C/120°F as the container may burst. Causes eye and skin irritation. Do not get in eyes. Avoid skin contact. Wear chemical-resistant gloves, long pants, a long-sleeved shirt and shoes when handling.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the provincial regulatory agency or the manufacturer. Do not puncture or incinerate.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
