DIRECTIONS FOR USE: To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid contact with skin, eyes, or clothing. Avoid breathing vapour or dust. May be harmful if swallowed. May cause irritation to eyes and skin. Ensure good ventilation. When handling, wear protective clothing and equipment including a respirator, goggles or safety glasses, and chemical resistant gloves. Wash hands and exposed skin after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not contaminate water, food or feed by storage or disposal.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

INGESTION: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

INHALATION: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Medical Personnel should contact Bayer's Medical Information Services, Toll-Free: 1-800-334-7577.

TOXICOLOGICAL INFORMATION: Primary routes of entry are skin absorption and dust inhalation. Treatment should be supportive.

STORAGE: Keep in original container. Store closed container in a cool, dry place away from water, feed, seeds, or foodstuffs.

DISPOSAL AND DECONTAMINATION: Canadian manufacturers of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
