PRECAUTIONS:

Harmful if swallowed. May be fatal if inhaled. Do not inhale vapours or mists. Causes skin irritation. Do not get on skin or eyes. Do not wear contact lenses. Use only in well-ventilated areas.

Workers must wear a long-sleeved shirt, long pants, chemical resistant gloves and goggles or a face shield during mixing, loading, clean-up and repair. In addition, when handling the concentrate, wear full face protection with cartridge respirator and chemical resistant gloves, apron, cap and boots.

Follow manufacturer's instructions for cleaning/maintaining personal protective equipment. If no such instructions exist for washables, use detergent and hot water. Keep and wash personal protective equipment separately from other laundry. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove personnel protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible wash thoroughly.

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label of product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Treat symptomatically.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and other aquatic organisms. Do not contaminate bodies of water or surrounding area through direct disposal, cleaning of equipment or runoff water. Open dumping is prohibited. Do not discharge effluent containing this product into lakes, streams, ponds, rivers, estuaries, oceans or public waters.

DIRECTIONS FOR USE:

APPLICATION:

The following use levels (% by weight) are for Polyphase CST-1 addition to exterior and interior paints for dry film preservation. In order to determine the most cost effective use level for Polyphase CST-1 in a given use, field trials, performed within the label rate are suggested.

EXTERIOR PAINT (Solvent): 0.5 - 1.5%. **EXTERIOR PAINT (Latex):** 1.0 – 2.5%.

INTERIOR PAINT: 0.2 – 0.8%.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes. DO NOT discharge effluents containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

DISPOSAL:

1. Triple-or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

Do not contaminate water, food or feed by storage or disposal.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
