DIRECTIONS FOR USE: SHAKE WELL BEFORE USING. Apply with the hand trigger sprayer attached. Depress button top and adjust nozzle to give coarse wet stream. Spray when first evidence of rabbit or deer feeding is noticed and when the weather is clear and dry.

For Fruit Trees, Raspberries, Blueberries and Vines apply to outside foliage. Also apply thoroughly to tree trunks. For Vegetables and Strawberries, apply a light cover spray. Do not apply to food crops within 14 days of harvest. For **ornamentals and Nursery stock**, spray foliage and trunks thoroughly. Retreatment may be necessary after heavy or prolonged rainfall.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid inhalation and direct contact. Wash after application. Do not apply to seedlings without first testing one or two plants and waiting two days for evidence of damage. Do not apply with any other additives or pesticides.

FIRST AID:

In case of ingestion, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes**, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Discard empty container with household garbage.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.
