If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat Symptomatically

ENVIRONMENTAL HAZARDS

This product is toxic to fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority.

DIRECTIONS FOR USE: MANUFACTURING USE

Because of their properties and intended uses, formulated products containing DOWICIL™ 75 Technical may require precautionary labeling different from that given.

Formulators should develop their own use and precautionary labeling, based on the properties and intended uses of their finished formulations, and in accordance with all pertinent laws and regulations.

Note: DOWICIL™ 75 Technical incompatible with casein in both liquid and dry systems. Reports also indicate DOWICIL™ 75 Technical to be incompatible with some types of amine-modified clays.

DO NOT SHIP OR STORE WITH FOOD, FEEDS, DRUGS, OR CLOTHING

STORAGE: If the entire contents of the drum are not used upon opening, reseal the polyethylene liner to keep moisture from caking the product. Do not store near flammable materials. Keep away from all sources of flame or heat including steam radiators.

Note: To avoid decomposition (which will release smoke and flammable vapours), store in a cool dry place below 60°C.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on clean-up of spills, contact the provincial regulatory agency and the manufacturer.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent
