Building A, 2nd Floor
Mississauga, Ontario L4W 0B6

Tel. No. (289) 360-1300

DIRECTIONS FOR USE

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Harmful if swallowed or absorbed through the skin. Avoid contact with clothing. CORROSIVE to the eye. DO NOT get in eyes. Causes skin and mucous membrane irritation. DO NOT get on skin.

When used for manufacturing, workers using this product must wear protective clothing: safety boots, coveralls, impervious gloves and safety glasses/face shield. Store away from seed, fertilizers, insecticides or fungicides.

ENVIRONMENTAL HAZARDS

TOXIC to aquatic organisms and non-target terrestrial plants.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Dicamba may cause severe irritation to the eyes and irritation to the skin and mucous membranes. Symptoms of overexposure to dicamba may include dizziness, muscle weakness, loss of appetite, weight loss, vomiting, decreased heart rate, shortness of breath, excitement, tenseness, depression, incontinence, cyanosis, muscle spasms, exhaustion and loss of voice.

Treat symptomatically.

STORAGE

Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame or other source of heat.

DECONTAMINATION AND DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations.

IN CASE MATERIAL IS RELEASED OR SPILLED, contain spill, carefully sweep and collect in drums followed by thoroughly washing down with detergent and water. Collect washings; do not allow in drainage ditches or sewers.

For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

FIRE EXTINGUISHING MEDIA

Fog or water spray, foam, carbon dioxide.

SPECIAL FIRE FIGHTING PROCEDURES

In case of severe fire, full protective clothing and self-contained breathing apparatus should be worn. Decomposition products are hazardous to health. Use water to keep fire-exposed containers cool. First opportunity, remove from fire.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
