DIRECTIONS FOR USE: To be used only in the manufacture of pesticides which are registered under the Pest Control Products Act. Formulators are responsible for their own registrations.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND/OR PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. May be harmful if swallowed. Avoid breathing the dust and contact with skin, eyes, and clothing. Wash thoroughly after handling and before eating, drinking or smoking. Do not contaminate food, feed or any body of water. This product carelessly spilled or applied to cropland or growing plants, including trees and shrubs, may kill or seriously retard plant growth.

FIRST AID: In case of emergency call the U. S. Borax Inc. 24 hour medical emergency number (1) 866-928-0789. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. ***If in eyes*** - Hold the eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center, or doctor for treatment advice. ***If swallowed*** - Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. ***If on skin or clothing*** - Take off contaminated clothing. Rinse the skin immediately with plenty of water for 15-20 minutes. Call a poison control center, or doctor for treatment advice. ***If inhaled*** - Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

TOXICOLOGICAL INFORMATION: Note to Physician: Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS:

TOXIC to aquatic organisms. **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

STORAGE: Store in cool, dry place away from food and feed stuffs, and where children or animals may have access.

DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.
