

30-MAR-2007

DIRECTIONS FOR USE

To be used only in the manufacture of a product which is registered under the Pest Control Products Act.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a pest control product under unsafe conditions.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label, and subject thereto, the buyer assumes any risks to persons or property arising from the use or handling of this product and accepts the product on that condition.

PRECAUTIONS

Corrosive to eyes. Concentrate causes eye damage and skin irritation. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling.

DISPOSAL

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and the clean up of spills, contact the provincial regulatory agency or the manufacturer.

STORAGE

Store in original container and place in a locked storage area. Opened containers should be securely resealed prior to storage. Protect from excessive heat or cold. Keep container tightly closed when not in use. If crust should form on the surface, break through the crust so product will pour. Product quality is not impaired by crystallization.
