## NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

### FIRST AID

**IN CASE OF POISONING,** contact a physician or a poison control centre **IMMEDIATELY**. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

FOR MEDICAL EMERGENCIES INVOLVING THIS PRODUCT, CALL TOLL FREE: 1-888-478-0798.

FOR 24-HOUR EMERGENCY ASSISTANCE (SPILL, LEAK OR FIRE), CALL CHEMTREC® (800) 424-9300.

For other product information, contact Gowan Company or see Material Safety Data Sheet.

### PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL.

- HARMFUL IF SWALLOWED.
- Avoid contact with skin, eyes and clothing.
- Avoid breathing vapours.
- Wear goggles, rubber gloves and protective clothing.
- Wash skin with soap and water immediately after contact.
- Flush eyes with water.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

### ENVIRONMENTAL PRECAUTIONS

Keep out of lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

### STORAGE

Containers should be stored in a cool, dry, ventilated area away from flammable materials, sources of heat and flame, and foodstuffs.

### SPILL CLEAN UP

Make sure all personnel involved with spill are aware of the hazards associated with this material. A small spill can be handled routinely considering the physical and hazardous properties of the product as well as the location of the spill. Use adequate ventilation and wear an air supplied respirator to prevent inhalation contact. Wear protective clothing to prevent skin and eye contact.

Soak up pooled liquid as follows:

- Spread a suitable absorbent such as clay on the liquid.
- Sweep up absorbent and place sweepings in an open drum.
- Generously cover the contaminated area with a common household granular detergent (e.g. TIDE\*). Using a stiff brush, work the detergent into the spill material, forming a slurry. Brush the slurry into cracks and crevices, and allow to stand for 2 to 3 minutes. Be careful to completely avoid skin or eye contact; do not splatter one's self or bystanders.
- Spread absorbents on the slurred liquid, and shovel the absorbed material into an open drum.
- Repeat if necessary.
- Flush the area with water, while observing proper environmental considerations.
- Seal drum and dispose of contaminated material in accordance with municipal or provincial recommendations.

#### **DISPOSAL**

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on clean up of spills, contact the provincial regulatory agency and the manufacturer.

#### **DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act.
