519-654-8000

DIRECTIONS FOR USE:**Shake well before using.**

To protect horses from attacks of Stable Flies, Face Flies, House Flies, and Horn Flies. Holding container upright, apply 50 to 80 mL as fine mist directly to horse, being careful to spray back, withers and forelegs thoroughly. Do not spray on face. To protect from face flies, spray onto a cloth and wipe on face avoiding eyes, nose and mouth. Repeat treatment daily, if necessary. Not to be used on newborn or nursing foals. Do not soak skin. Do not cover horses immediately after treating. Do not apply to back of animal prior to saddling.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Not for use on humans. Avoid spraying in eyes. Avoid breathing spray mist. Avoid contact with skin. Wash hands thoroughly after use. Vacate room after treatment and ventilate before reoccupying. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before use on pregnant animals, consult a veterinarian. This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of waste.

Store in cool, dry area. Do not use or store near heat or open flames.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse container. Wrap and dispose of empty container with household garbage.
