## **PRECAUTIONS**

**DANGER - CORROSIVE TO EYES**

**MAY BE FATAL IF ABSORBED THROUGH SKIN**

**MAY CAUSE EYE AND SKIN IRRITATION**

**HARMFUL IF SWALLOWED**

**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

Do not get in eyes, on skin or on clothing. Wear goggles or face shield. Wear protective clothing and chemically impervious gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## **FIRST AID**

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

## **TOXICOLOGICAL INFORMATION**

This product may cause severe irritation to the eyes. Overexposure to 2,4-D may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness or nausea. Treat symptomatically. No specific antidote. Supportive care. Treatment based on judgment of the physician in response to reactions of the patient.

## **AGRICULTURAL CHEMICAL**

Do not ship or store with food, feeds, drugs or clothing.

## **ENVIRONMENTAL HAZARDS**

Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water used for irrigation or domestic purposes.

## **STORAGE**

Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

## **DISPOSAL**

Canadian formulators of this product should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**DIRECTIONS FOR USE**

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*. Formulations containing this manufacturing concentrate may require precautionary labelling differing from that given. Formulators should develop their own use and precautionary labelling based on the properties and intended uses of their own finished formulations and in accordance with all pertinent laws and regulations.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
