FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for
treatment advice. Have person sip a glass of water if able to swallow.
Do not induce vomiting unless told to do so by a poison control centre or
doctor. Do not give anything by mouth to an unconscious person.

IN CASE OF EYE CONTACT: Hold eye open and rinse slowly and gently with water
for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes.

IN CASE OF SKIN OR CLOTHING CONTACT: Take off contaminated clothing. Rinse skin
then continue rinsing eye. Call a poison control centre or doctor for treatment advice.
Immediately with plenty of water for 15-20 minutes. Call a poison control centre
or doctor for treatment advice.

IN CASE OF INHALATION: Move person to fresh air. If person is not breathing,
call 911 or an ambulance, then give artificial respiration, preferably by
mouth-to-mouth, if possible. Call a poison control centre or doctor for further
treatment advice.

Take container, label or product name and Pest Control Product Registration
Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

2020-08-06

Sub.No.2020-2548

PRECAUTIONS: HARMFUL IF SWALLOWED. Avoid contact with eyes. Wash thoroughly with soap and water after handling and before eating or smoking. Harmful if inhaled. Wash contaminated clothing with soap and water before reuse.

STORAGE:

AQUCAR™ TN 100 Technical Water Treatment Microbiocide decomposes in the presence of alkaline materials. Protect from vapors of ammonia and amines during handling and storage to prevent deterioration and release of formaldehyde.

DECONTAMINATION AND DISPOSAL

Canadian manufacturers using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE: To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.
