FIRST AID: In case of contact with eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

In case of contact with skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: There is no specific antidote. Probable mucosal damage may contraindicate use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

ENVIRONMENTAL HAZARD: This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or public waters. Do not discharge into sewer systems without previously notifying the sewage treatment plant authority. Open dumping is prohibited.

DIRECTIONS FOR USE: This product is to be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

STORAGE: Containers should be stored in a cool, dry, well-ventilated area. Keep container tightly closed when not in use. Store away from flammable materials, sources of heat and flame, food stuffs, and animal feed. The product can be stored at temperatures between -45°C and +70°C. Exercise due caution to prevent damage to or leakage from the container. Do not reuse empty container.

DISPOSAL: Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product and cleanup of spills, contact the Provincial/Territorial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
