PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

WARNING - EYE IRRITANT

MAY CAUSE SKIN IRRITATION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing dust and contact with skin or eyes. Wear goggles and protective clothing such as coveralls, a long-sleeved shirt and impermeable gloves when handling this product.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION

No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient.

AGRICULTURAL CHEMICAL

Do not ship or store with food, feeds, drugs or clothing.

ENVIRONMENTAL PRECAUTIONS

Direct contamination of any body of water with this product may kill fish. Do not contaminate any body of water by direct application, cleaning of equipment or disposal of wastes.

STORAGE

Keep in original container during storage. Store in a cool, dry well ventilated place away from seed, feed, fertilizer or other pesticides. Do not contaminate water, food or feed by storage or disposal.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.

DIRECTIONS FOR USE

To be used only in the manufacturing, formulating, or repackaging of a pesticide which is registered under the *Pest Control Products Act*.

Because of their properties and intended uses, formulations containing picloram may require precautionary labelling differing from that given. Formulators should develop their own use and precautionary labelling based on the properties and intended uses of their own finished formulations and in accordance with all pertinent laws and regulations.
