

BROMOXYNIL OCTANOATE TECHNICAL

FOR USE IN MANUFACTURING, FORMULATING OR REPACKAGING ONLY

Herbicide

Solid

READ THE LABEL BEFORE USING

ACTIVE INGREDIENT: BROMOXYNIL 65.9% (present as octanoate ester)

REGISTRATION NO. 19705 PEST CONTROL PRODUCTS ACT

DIRECTIONS FOR USE: To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*. Read Technical Bulletin for formulation details. For use only for formulating purposes. Subsequent formulators are responsible for providing documentation to support the *Pest Control Products Act*.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL. Harmful in contact with skin and if swallowed. Irritating to eyes. Wear protective gloves and face shield when handling. Remove any contaminated clothing immediately. Wash hands and exposed skin thoroughly after handling. Avoid breathing dust.

ENVIRONMENTAL PRECAUTIONS: TOXIC to aquatic organisms and non-target terrestrial plants. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Medical Personnel should contact Bayer's Medical Information Services, Toll-Free: 1-800-334-7577.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Keep in original container during storage. Do not contaminate or store near feed, seeds, or foodstuffs. Keep away from fire, open flame, or other sources of heat.

DISPOSAL: Canadian manufacturers should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the manufacturer or the provincial regulatory agency.

SPILLAGE CLEAN-UP: Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

Keep by-standers away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator, coveralls, rubber boots and protective gloves) and sweep up all product and shovel into a drum. Dampen spilled product and use absorbent sweeping compound to prevent dust. Add broken packages to the drum and seal for removal to an approved disposal site.

Wash spill site with water and mop up into a drum for disposal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
