DIRECTIONS FOR USE: To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This formulation may be used with suitable emulsifiers as a base for liquid grain protectants, for use in formulating aerosols, for applications in cannery and food processing establishments where the presence of base oil is objectionable because of possible food contamination, for emulsions that are oil-free, for use in fruit fly control, for use in meat packing plants, and for use in growing crops which are about ready to be harvested, where oil may be objectionable, such as lettuce and cole crops.

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

PRECAUTIONS: Harmful if swallowed. Causes eye irritation. Avoid contact with lips and eyes. Avoid breathing vapors. Avoid contact with clothing. Wash thoroughly after handling. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL PRECAUTIONS: TOXIC to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.
If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.
If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

DECONTAMINATION & DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial/territorial regulatory agency.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use the product in a way that is inconsistent with the directions on the label.

For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.
