READ THE LABEL BEFORE USING

**King Home & Garden Inc.**

3-304 Stone Road West,

Guelph, Ontario

N1G 4W4

1-866-458-5464

**DIRECTIONS FOR USE:**

"Get Off My Garden Dog & Cat Repellent" water crystals is a new kind of pet repellent. Enveloped in suspended water crystals, the repellent provides long lasting continuous action by slowly releasing a strong, highly perfumed odor, confusing your pets' senses of smell.

"Get Off My Garden Dog & Cat Repellent" is effective in most weather conditions. In dry weather, the moisture of the crystals is drawn into the soil. Rain may occasionally cause the crystals to grow, but the repellent remains effective.

**OUTDOORS:** To prevent your pet or stray animals from soiling flower beds, areas of lawn, trees, shrubbery or evergreens, first remove any droppings and hose down to remove urine smells. Then, tilting the bottle, lightly scatter at the edges of flower beds and vegetable gardens, trunks of trees, the bases of shrubbery, patches of lawn, etc. Apply only in areas adjacent to buildings. Do not apply in wildlife habitat areas (e.g., parklands, forested lands). Some pets' habits are more severe. Reapply as often as necessary. Replace cap after use.

Avoid direct contact with soft-stemmed plants, leaves and food crops. Only lightly scatter around new or soft lawns as it could cause spotting or burning.

**GENERAL:**

This product may not break the established habits of pets unless it is used in conjunction with training.

**PRECAUTIONS:**

Harmful if swallowed. Avoid contact with eyes and skin. Wear rubber gloves when applying this product by hand. Do not apply this product in a way that it will contact any person or pet, either directly or through drift. Do not apply to food/feed crops or animals. Do not allow persons or pets to enter the treated area until the spray has dried. Avoid contamination of feed or foodstuffs.

**FIRST AID:**

If swallowed, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If contact with skin or clothing, Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If contact with eyes, Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**STORAGE AND DISPOSAL:**

Store in original container inaccessible to children and pets. Do not reuse empty container. Rinse thoroughly. Wrap and dispose of empty container with household garbage.

**ENVIRONMENTAL HAZARDS:**

Do not apply directly to aquatic habitats (such as lakes, rivers, sloughs, ponds, coulees, prairie potholes, creeks, marshes, streams, reservoirs or wetlands) or estuarine/marine habitats. DO NOT contaminate water by cleaning equipment or disposing of wastes.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Product Act to use this product in a way that is inconsistent with the directions on the label. The user assumes risk to persons or property that arises from any such use of this product
