NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE: To be used only in the manufacture of a biological insecticide that is registered under the *Pest Control Products Act*.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Skin and Eye irritant: Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Wear a long-sleeved shirt, long pants, protective eyewear (goggles), waterproof gloves, socks and shoes and a NIOSH-approved particulate filtering facepiece respirator with any N, R or P filter when handling and during all clean-up/repair activities. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Primary eye irritation studies indicate that the pesticide is a severe eye irritant and may cause irreversible eye damage. An emergency eye flushing apparatus must be present where mixing/loading/application take place. Remove contaminated clothing and wash clothing before re-use.

DISPOSAL

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Product is a severe eye irritant, possibly causing irreversible damage to the cornea. Treat symptomatically.
