**DIRECTIONS: Insects controlled:** Aphids, earwigs, mealybugs, spider mites, psyllids, rose and pear slugs, brown soft scales and whiteflies.

**Spraying:** Apply with the attached hand trigger sprayer. Depress button on top and adjust nozzle to a fine spray pattern.

Use indoors and in greenhouses on houseplants and outdoors on fruits, vegetables, flowers and ornamentals.

Apply to thoroughly cover upper and lower leaf surfaces.

**Timing:** Repeat weekly until control is observed.

NOT recommended on ferns, nasturtiums and sweet peas. If in doubt about any delicate plant, such as **roses, seedlings** and **transplants**, apply to several leaves as a pretest. Allow sufficient time to determine if plant damage occurs before spraying the entire plant. Do not spray open blooms. Do not apply during full sun or high heat.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Wash fruits and vegetables before eating. Avoid contact with skin and eyes.

**FIRST AID: If in eyes,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and P.C.P. Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DISPOSAL:** Do not reuse empty container. Recycle empty container.

**For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.**
