PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Do not contaminate water, food or feed by storage or disposal. Store in original container. Keep from freezing.

DANGER – CORROSIVE TO EYES AND SKIN: Do not get in eyes, on skin or on clothing. Fatal or Poisonous if swallowed. Keep container in a dry well-ventilated area. Do not discharge into lakes, streams, ponds or public waters. When handling wear goggles or face shield and rubber gloves.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor immediately for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

DIRECTIONS FOR USE:

For use in manufacturing, formulating or repackaging and to be used only in the manufacture of a product which is registered under the Pest Control Products Act. Formulators are responsible for their own registrations.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. The requirements of applicable laws should be determined before using the product. This product is toxic to wildlife, and domestic animals. Treated sawdust, shavings and residues of the treatment process should be disposed of properly and should not come in contact with a domestic animal or be used in bedding or litter.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.
