DIRECTION FOR USE:

HORSES: Shake well before using. To repel gnats, stable flies, mosquitoes and hornflies. Apply a light mist sufficient to wet the surface of the hair. To control stable flies, horse flies, deer flies and face flies; apply at the rate of 60 mL per adult horse, sufficient to wet the hair thoroughly. Repeat treatment as needed but not more than once a day. Do not cover horse after treatment. Do not spray on face of animal; wipe on face avoiding eyes and mouth. If irritation appears discontinue use.

Wipe-on Method for Horses: Apply with a cloth which is slightly moistened with the product. Use 30 – 60 mL for an adult horse. Repeat as necessary but not more than once a day. Do not cover horses after treatment. If irritation appears discontinue use.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating or smoking. Do not breathe spray mist. If irritation appears, discontinue usage. Wash contaminated clothing before reuse. Do not contaminate feed, food or water. Contents toxic to fish and birds. Store in original container away from feed and food. This product contains a petroleum distillate at 98% (proportion by weight) which is moderately to highly toxic to aquatic organisms. Avoid contamination of aquatic systems during application. Do not contaminate these systems through direct application, disposal of waste or cleaning of equipment. Do not use on horses intended for slaughter.

TOXICOLOGICAL INFORMATION: Treat symptomatically. This product contains a petroleum distillate.

DISPOSAL: Do not reuse empty container. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

FIRST AID: If on skin or clothing, Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Registration Number with you when seeking medical attention. This product contains a petroleum distillate.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

ENVIRONMENTAL HAZARD: Toxic to fish. Do not apply this product directly to aquatic habitats (such as lakes, rivers, sloughs, ponds, prairie potholes, creeks, marshes, streams, reservoirs, ditches and wetlands), estuaries or marine habitats. Do not contaminate irrigation or drinking water supplies, or aquatic habitats by cleaning of equipment or disposal of wastes.
