FIRST AID INSTRUCTIONS

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

In case of Medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-888-283-6847.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid splashing concentrate in eyes or on hands. Wash thoroughly with soap and water after handling and before eating or smoking. Wash all contaminated clothing with soap and hot water before use. When handling wear rubber goggles or face shield, overalls, PVC or nitrile-rubber gloves, rubber boots and respirator approved for protection against permethrin. Avoid contamination of food or feed.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

ENVIRONMENTAL HAZARDS

This product is very toxic to fish. Do not contaminate ponds, lakes, streams or rivers.

DIRECTIONS FOR USE

To be used only in the manufacture of an insecticide which is registered under the PEST CONTROL PRODUCTS ACT.

EMERGENCY TELEPHONE NUMBER

All hours 1 (888) 283-6847.

DISPOSAL STATEMENT

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional

details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

STORAGE

Store in sealed containers away from frost, direct sunlight and sources of heat and ignition. Store above 0°C. Store away from food and feed.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
