SIDE PANEL (ENGLISH)

Flying Insect Killer metered pressurized spray is designed for use in the Cam Spring Action Type Automatic Dispenser. The automatic dispenser releases a metered dose of 55 mg of insecticide every 15 minutes. Each can contains enough product to protect an area of at least 170 m³ of free flow air space, for up to 30 days. DIRECTIONS: Remove protective cap from top of can and insert can into special automatic dispenser. Place dispenser 2-3 metres above the floor at a point where the airflow will carry the insecticide throughout the area. Do not install directly over food or food packaging surfaces. PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. CONTENTS UNDER PRESSURE. Container may explode if heated. Do not expose to temperatures above 50°C. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. Do not use in dwellings, schools or meat packing plants. DO NOT USE IN THE PRESENCE OF AN OPEN FLAME OR SPARK. FIRST AID: In case of contact with eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. In case of skin or clothing contact, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If accidentally swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. TOXICOLOGICAL INFORMATION: treat symptomatically. DISPOSAL: When container is empty, press button to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the clean-up of spills contact the provincial regulatory agency or the manufacturer. Do not puncture or incinerate. NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
