## **PRECAUTIONS**

Hazard to humans and domestic animals. **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. DANGER.** Corrosive. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

## **ENVIRONMENTAL HAZARD**

This pesticide is toxic to fish. Do not discharge into lakes, streams, ponds or public waters.

## **DIRECTIONS FOR USE**

To be used only in the manufacture of a biocide which is registered under the *PEST CONTROL PRODUCTS ACT*.

## **FIRST AID TREATMENT**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

## **STORAGE AND HANDLING**

Store drums in a sheltered area away from heat and cold. Use approved equipment for transport of drums to avoid puncturing or rupturing of container. Do not use air pressure to transfer.

## **DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

**DO NOT REUSE DRUM.** Since emptied containers retain residues, all labelled hazard precautions must be observed. Return to drum conditioner with all precautionary labels intact. **Open dumping is prohibited.**

**SPILLAGE**

Clean up spills immediately. Small spills can be cleaned up by spreading floor cleaning compound or other suitable absorbent material on the spill and sweeping up the residue. **For larger spills and disposal of residues, contact the provincial regulatory agency or the manufacturer.**

**NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under *the PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label.
