Raid Defence System

Helps you work smarter, not harder, to fight bugs.

Visit raid.ca to identify your bug and best treatment plan.

Tips:

Store ant-attractive foods in plastic containers with lids that snap tight. Keep kitchen countertops clean.

Sweep or vacuum the floor often, especially around pet dishes. Empty kitchen garbage containers often.

Repair and seal as many visible cracks in the foundation and exterior walls of your house as possible.

Indoors, caulk along baseboards, cracks and crevices to keep the ants from passing through your house.

Use Other Raid® products to: Kill (Bugs) on Contact:

Use Raid® Ant, Roach & Earwig Bug Killer 19 (indoors) to kill ants, roaches, earwigs and other listed insects on contact.

Use this product to: Kill (Bugs) at the Source:

Use (Raid® Ant Killer Liquid) (this product) (indoors) (and) (or) (outdoors) (where ants are seen) (to) (kill the queen) (and) (kill the colony). Ants can carry this liquid bait back to the nest to destroy the entire colony.

Raid® Ant Killer Liquid is a liquid bait which ants can carry back to the nest to destroy the entire colony.

DIRECTIONS FOR USE: INDOORS: Apply where ants are seen. Reapply as needed.
OUTDOORS: Apply directly on ant hills in lawn and garden and where ants are seen entering the building. Reapply as needed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Wash hands after use. Do not contaminate food, feed or water. Do not use near roots of valuable plants.

FIRST AID: IF SWALLOWED: Call poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Wrap container and discard in household garbage.
