**PRECAUTIONS**

**KEEP OUT OF REACH OF CHILDREN**

Irritant to eyes and skin. POTENTIAL SKIN SENSITIZER. FATAL IF SWALLOWED. DO NOT swallow. DO NOT inhale aerosols or vapors. DO NOT get in eyes, on skin or on clothing. Avoid contamination of food. Wear goggles or a face shield, chemical-resistant gloves, long pants, a long sleeved-shirt, shoes and socks during mixing/loading, clean up and repair.

Formaldehyde can be released during use of this product. It is recommended that this product not be used in circumstances that would result in formaldehyde air concentrations in the workplace exceeding the exposure levels established by occupational health and safety authorities in your jurisdiction. If values exceed this level, it is recommended that NIOSH approved respiratory protection be worn. Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing/protective equipment immediately if pesticide comes in contact with skin through soaked clothing or spills. Then wash skin thoroughly and put on clean clothing and required protective equipment prior to resuming your previous work activity. Discard

clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

### **ENVIRONMENTAL HAZARDS**

This product is toxic to fish and other aquatic organisms. DO NOT apply in marine and/or estuarine oil fields. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product. DO NOT contaminate water by cleaning up equipment or disposal.

### **FIRST AID**

Eye Contact: Immediately flush eyes with large amounts of water for at least 15 minutes. DO NOT remove contact lenses, if worn. Get medical attention IMMEDIATELY.

If On Skin: Wash thoroughly with soap and water. Get medical attention.

If Swallowed: DO NOT induce vomiting. DO NOT give anything to drink. Obtain medical attention or contact a Poison Control Centre IMMEDIATELY.

If Inhaled: Remove to fresh air. If breathing is difficult, administer oxygen. If symptoms persist, call a physician or a Poison Control Centre IMMEDIATELY. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION**

This product is CORROSIVE and an irritant to skin and eyes and may produce a sensitization response or allergic reaction in some individuals.

### **STORAGE AND HANDLING**

BACTRON K-73 MICROBIOCIDE solutions are corrosive to many commonly used materials of construction such as steel, galvanized iron, aluminum, tin, and zinc. Bactron K-73 Liquid Microbiocide solutions can be stored and handled in polyethylene, stainless steel, and reinforced epoxy-plastic equipment. Store in dry conditions below 25 °C away from: oxidizing materials, heat and sources of ignition, food, drink and animal food stuffs.

Avoid contact with metals.

### **DIRECTIONS FOR USE**

#### **OILFIELD APPLICATION**
