**DIRECTIONS FOR USE:
PULP and PAPER MILLS**

Fennosan Q 25-C Paper Mill Slimicide is recommended for the control of slime-forming bacteria in paper mill systems.

POINT OF ADDITION: Fennosan Q25-C Paper Mill Slimicide should be added to the raw water or the contaminated areas of the paper machine for prevention of fouling in the associated spray areas or systems.

DOSAGE: Apply 50 mg/L to 250 mg/L of Fennosan Q25-C Paper Mill Slimicide as a slug dose. The maximum application rate must not exceed 28 kg Fennosan Q25-C per tonne of paper. If needed, repeat daily, or as needed. Badly fouled systems should be cleaned before initial treatment. If the product is applied manually, a dust mist respirator must be worn during application.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN.

DANGER - CORROSIVE TO EYES AND CAUSES SKIN BURNS.

MAY CAUSE ALLERGIC SKIN REACTION. MAY BE HARMFUL IF INHALED.

MAY BE FATAL IF SWALLOWED OR ABSORBED THROUGH THE SKIN.

Do not get in eyes, on skin, on clothing. Wear protective glasses or face mask when handling. Wear chemical-resistant gloves, long pants, a long-sleeved shirt and shoes when handling this concentrate. Avoid breathing vapour or mist. Do not take internally. Wash thoroughly after handling. DO NOT USE IN POTABLE WATER SYSTEMS. Do not contaminate water, food or feed by storage or disposal.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. DO NOT discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. The requirements of applicable laws should be determined before using the product. Do not contaminate water by cleaning of equipment or disposal of waters. Empty containers cannot be used for other purposes.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed. Avoid alcohol. Treat symptomatically.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

DISPOSAL:**PRODUCT:**

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

CONTAINERS:**DISPOSABLE CONTAINERS:**

1. Triple- or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.

RETURNABLE CONTAINERS:

Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).

REFILLABLE CONTAINERS:

For disposal, this container may be returned to the point of purchase (distributor/dealer). It must be refilled by the distributor/dealer with the same product. Do not reuse this container for any other purpose.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
