DIRECTIONS FOR USE

To be used only in the manufacture of a molluscicide which is registered under the Pest Control Products Act. Formulators are responsible for their own registrations.

PRECAUTIONARY STATEMENTS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful dust - may be fatal if swallowed. Avoid breathing dust or vapours. Avoid contact with skin, eyes, and clothing. Keep away from heat and open flame. Avoid contamination of food.

FIRST-AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Ingestion may cause intestinal irritation, kidney and liver damage.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

STORAGE: Do not store under high temperature or excessive moisture conditions.

DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.
