SIDE PANEL

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

Provides a fogging action over a large area and kills flies, mosquitoes, wasps and hornets.

DIRECTIONS FOR USE: SHAKE WELL BEFORE USING.

The application of this product to vinyl and aluminum siding (particularly lightly colored, aged, weathered or otherwise damaged) may result in staining, bleaching or discoloration. Factors such as extreme heat and direct sunlight can promote damage. Always pre-test a small inconspicuous area to be treated, for colour fastness and staining. Evaluate 30 minutes after test application for potential staining. Regardless of the test results, **DO NOT** apply to vinyl or aluminum siding while exposed to direct sunlight or during the heat of the day.) Within the specified use location, to enhance effectiveness of this product, apply directly to the listed pests where possible. Treatment must only be repeated after 7 days if pest problem persists or reoccurs.

FOR OUTDOOR USE AROUND BUILDINGS TO Kill Flies, Mosquitoes, Black Flies, Hornets and Wasps.

Use Limitations

- **DO NOT** use inside buildings.
- **DO NOT** apply when people or pets are present.
- **DO NOT** allow people or pets to enter treated areas until sprays have dried.
- **DO NOT** apply in areas where plants are grown for food or feed (e.g., vegetables, fruit, herbs).
- **DO NOT** apply to any body of water.
- **DO NOT** contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.
- Avoid application of this product when winds are gusty.

Spray only if air is still and temperature is under 32°C. Hold can at arm's length with nozzle pointed away from you at a slight downward angle. Stand at least 2 m from area where listed insects are a nuisance, directing fog toward surrounding bushes and grass. Fog will extend up to 6 m from nozzle. Treat beyond the immediate area where control is desired to achieve longer control. **DO NOT** exceed 6.25g of Spray-Pak GARDEN AND PATIO FOGGER per m² (4.2 seconds/m²).

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN. DO NOT puncture or incinerate. Contents under pressure. **DO NOT** place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50° C. Avoid contact with skin, eyes and clothing. Avoid inhalation of spray. Wash hands after using. Keep from freezing. Avoid contact with maidenhair ferns. **DO NOT** contaminate any body of water.

ENVIRONMENTAL PRECAUTIONS

Toxic to aquatic organisms. Toxic to bees. Avoid application around blooming plants. If applications must be made during the blooming period, restrict applications to evening when most

2023-3156
2024-04-05

bees are not foraging. Toxic to beneficial arthropods (which may include predatory and parasitic insects, spiders, and mites). Minimize exposure to non-target areas.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **IF**

INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Skin exposure may cause transient sensations (tingling, burning, itching, numbness). Other symptoms of exposure could include respiratory effects (such as cough, respiratory irritation, or shortness of breath), nausea, headache or dizziness.

STORAGE: Store this product away from food or feed.

DISPOSAL: When container is empty, press button to release all pressure. **DO NOT puncture** or incinerate. **DO NOT** reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
