PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

DANGER!

- **HARMFUL OR FATAL IF SWALLOWED OR INHALED.**
- **SEVERE EYE AND SKIN IRRITANT.**
- **Avoid contact with skin, eyes and clothing.**
- **Wear goggles or face shield and rubber gloves when handling.**
- **Avoid contamination of food.**
- **Wash thoroughly with soap and water after handling.**

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Refer to Material Safety Data Sheet for information on recommended antidote. Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion should be taken.

ENVIRONMENTAL HAZARD: This product is toxic to fish and wildlife. Do not discharge into lakes, streams, ponds, estuaries or public waters. Open dumping is prohibited.

DIRECTIONS FOR USE: This product is to be used only in the manufacture of a microbiocide, which is registered under the Pest Control Products Act. Formulators are responsible for their own registration under the Pest Control Products Act.

STORAGE: Container should be stored in a cool, dry, well-ventilated area. Keep container tightly closed when not in use. Exercise due caution to prevent damage to or leakage from the container. Do not reuse empty container.

DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
