KEEP OUT OF REACH OF CHILDREN AND/OR PREVENT ACCESS BY UNAUTHORIZED PERSONNEL
READ THE LABEL BEFORE USING

REGISTRATION NUMBER 23499 PEST CONTROL PRODUCTS ACT

DIRECTIONS FOR USE: To be used only in the manufacture of a rodenticide which is registered under the Pest Control Products Act.

PRECAUTIONS: May be fatal if swallowed. Avoid inhaling dust or contact with eyes, skin & clothing. Wash thoroughly after use. Avoid contamination of food, feed, utensils, drinking water or any body of water. Use only as recommended on label. This product is toxic to fish and wildlife.

FIRST AID: IF SWALLOWED: Obtain medical attention immediately. Consult a poison control centre for detailed information on treatment for strychnine poisoning. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and immediately flush with large amounts of water for 15 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Wash exposed area of skin with soap and water.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Central nervous system stimulant. Convulsions may occur within 5 to 10 minutes of ingestion. If the person is fully conscious and not convulsing a few moments after the ingestion, immediate ingestion of activated charcoal has been proven beneficial. Keep the patient in a warm, dark room with minimal sensory stimulation. Postpone gastric lavage until the patient is fully premedicated to control further convulsions or seizures. Artificial respiration may become necessary. Keep patient under continual observation until convulsions and reflex irritability have been suppressed and gastric lavage can be performed safely.

STORAGE: Keep

under lock and key, away from foodstuff and out of reach of children and/or other unauthorized personnel.

DISPOSAL: Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the Provincial Regulatory Agency or the Manufacturer.

DO NOT RE-USE EMPTY CONTAINER

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
