READY-TO-USE

WEEDS CONTROLLED: Dandelion, Plantain, Black Medick (yellow clover), Buttercup, Chickweed, Clover, English Daisy, Ground Ivy (Creeping Charlie), Knotweed (Ironweed), Poison Ivy, Ragweed, Shepherd's Purse, Bedstraw, Heal-All, Devil's Paint Brush.

SHAKE WELL BEFORE USE

PROTECTIVE CLOTHING: Wear long sleeved shirt, long pants, socks, shoes and chemical-resistant (e.g., rubber) gloves.

DIRECTIONS FOR USE: Stand close to weeds. Adjust nozzle to desired spray pattern. Wet the weeds with one or two short bursts. Repeat if necessary. Do not water for 24 hours.

NOTE: Excessive wetting of grasses around weeds may cause some injury. For good turf /lawn management, normally two applications per year per treatment site are adequate. This does not include spot treatments. This product is only effective when applied to the leaves of actively growing weeds. This product will not prevent new weeds – apply only when weeds are present. This product is designed to target treatment of weedy areas of lawns.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid contact with skin, eyes, or clothing. DO NOT apply this product to any body of water. DO NOT contaminate irrigation/drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes. DO NOT directly spray or allow spray to drift onto ornamentals, gardens or exposed tree roots. This product may injure desirable ornamentals and vegetables. Avoid applications of this product when winds are gusty.

OPERATOR USE PRECAUTIONS: Wash hands before eating, drinking, using tobacco or using the toilet. After treating, wash thoroughly. If pesticide penetrates clothing, remove immediately; then wash contaminated skin thoroughly and shower. Launder contaminated clothing separately before reuse.

RE-ENTRY INTERVAL: Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treated areas until spray has thoroughly dried.

GENERAL PRECAUTIONS: Do not use on bent grass or where clover is desired. Do not store near seeds, fertilizer, insecticides or fungicides. Do not allow spray, mist or vapours to contact any plants other than those being treated. Do not allow to freeze.

ENVIRONMENTAL HAZARDS:

Toxic to birds.

Toxic to small wild mammals.

Toxic to aquatic organisms and non-target terrestrial plants.

FIRST AID:

IF IN EYES, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not re-use empty containers. Rinse well, wrap and dispose in household garbage.
