PRECAUTIONS:

- Avoid contact with skin, eyes and clothing.
- Avoid breathing dust.
- Wash hands and face before eating, drinking, smoking and using the toilet.
- Take a shower immediately after use.
- Wash protective clothing in detergent and hot water, separately from household laundry, before reuse.
- Wear chemical resistant gloves during mixing, loading and cleanup.

ENVIRONMENTAL HAZARDS

Do not contaminate any body of water.

FIRST AID:

IN CASE OF POISONING, CONTACT A PHYSICIAN OR POISON CONTROL CENTRE.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take label, container or product name and Pest Control Product Registration Number with you when seeking medical attention.

For medical emergencies and transportation emergencies such as spills, leaks or fires, call **1-800-331-3148** (24 hours).

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE:

Store product in original container only, in a secure, well-ventilated, cool, dry area away from other pesticides, fertilizers, food or feed. Not for use or storage in or around the home. Keep container tightly closed.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and information on clean-up of spills, contact the manufacturer or the provincial regulatory agency.

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
