FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.

Harmful if swallowed or absorbed through skin. Avoid breathing vapours or spray mist. Use a suitable mask (e.g., NIOSH/MSHA TC-21C-132) when exposure to dust is unavoidable. Avoid contact with skin and eyes. Wear protective clothing.

ENVIRONMENTAL PRECAUTIONS:

TOXIC to aquatic organisms.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

To be used only in the manufacture of pesticides which are registered under the PEST CONTROL PRODUCTS ACT. Physical data and formulating information are given on the Product Description Sheet. Formulator is responsible for providing performance data to support use label claims.

STORAGE

Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, feed, fertilizers, or other pesticides. Keep away from fire or open flame, or other source of heat.

DISPOSAL AND DECONTAMINATION

Canadian formulators of this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

EMERGENCY TELEPHONE NUMBER:

In case of Medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling **1-888-740-8712**.

Notice to User: This pest control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label.
