DIRECTIONS FOR USE: To be used only in the manufacture of algae-resistant granules solely for export from Canada.

FIRST AID INSTRUCTIONS:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat Symptomatically.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Severely irritating to the eyes. DO NOT get in eyes. Harmful if swallowed. Avoid inhalation. May cause skin irritation, nausea, chills or diarrhea. Wash thoroughly after using. Use approved respiratory devices, eye protection, impermeable gloves and appropriate covering clothing.

ENVIRONMENTAL HAZARDS:

This product is toxic to aquatic organisms.

STORAGE: Store away from food and feed.

DISPOSAL: Completely empty bag into formulation equipment. Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. Contact the manufacturer and the provincial regulatory agency in case of spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
