PURINA® MAXX® NON-CLUMPING CAT BOX FILLER MULTI-CAT with HEALTHGUARD® has an effective antibacterial ingredient that controls the growth of odour-causing germs. Extra cats need extra odour control!

MAXX NON-CLUMPING CAT BOX FILLER MULTI-CAT gives you the best combination of odour and germ control for your cat box.

- Formulated with HEALTHGUARD to control the growth of odour-causing bacteria.
- Powerful odour control system reacts immediately to the presence of waste with an increased level of odour control effectiveness.
- Made with 100% natural clay that absorbs up to 85% of its own weight in liquids, to effectively control odours.
- 99% dust free.

Why settle for a cat box filler that just masks odours?

Get MAXX NON-CLUMPING CAT BOX FILLER MULTI-CAT with HEALTHGUARD – Maxximum Odour Control for more than one cat.

DIRECTIONS: Use a moisture proof cat box large enough to comfortably accommodate your cats. Maintain MAXX NON-CLUMPING CAT BOX FILLER MULTI-CAT at a depth of 5-8 cm (2-3 inches) for pawing and covering. Remove waste areas daily and dispose with regular garbage.

Flushing of any cat litter is not recommended.

Care of Cat Box: Cats are clean by nature. You can encourage your cats' good habits by providing a sanitary, well kept cat box. The cat box should be cleaned weekly with warm water and a mild detergent.

Not recommended for garden use.

DISPOSAL: Dispose of used or unused product with household garbage.

PRECAUTIONS: Pregnant or nursing women and people with a suppressed immune system should note that a parasite found in cat feces can cause toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. For further information, consult your local public health office.

WARNING: Do not flush waste down the toilet or any other water waste system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.

INGREDIENTS: Natural clay products with deodorizing system and odour-causing bacteria growth inhibitor.
