**EXPLOSIVE**

This insecticide is for use only in an automatic aerosol dispenser (Cam Spring Action Type), which releases 55 mg. of insecticide every 15 minutes. The continuous use of this insecticide will reduce flying insect populations (flies, mosquitoes and biting midges) within a few hours. One can protect a room up to 170 cubic metres for up to 30 days.

**USE AREAS:** Attics, Garages, Outdoor Storage Buildings, Crawl spaces such as in basement areas. Use area must have at least 170 cubic metres of free flow air space. **DO NOT INSTALL IN THE LIVING AREAS OF THE HOME SUCH AS THE KITCHEN, BEDROOM OR LIVING ROOM.**

**DIRECTIONS FOR USE:** In areas where ceilings are approximately 3 metres high the dispenser should be located 2-2.5 metres above the floor at a point where air circulation will carry particles throughout the area. In areas where the ceilings are low, such as attics & crawl spaces, install the dispenser approximately 0.5 metre from the ceiling. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and insert into dispenser.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50° C. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic, or varnished surfaces such as cars or cabinets.

**DISPOSAL:** When container is empty, press valve to release all remaining pressure. Dispose of empty container in household garbage.

**FIRST AID INSTRUCTION:** If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.
