PRECAUTIONS:

- WARNING - EYE AND SKIN IRRITANT. CAUSES EYE AND SKIN IRRITATION.
- KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL.
- Avoid breathing spray mist. Use with adequate ventilation.

- Avoid contact with skin, eyes and clothing. Wear goggles or face shield, coveralls, and suitable chemical resistant gloves during mixing and loading.
- Do not contaminate any body of water. Avoid contamination of food.
- May be harmful if swallowed, inhaled or absorbed through skin.
- When using, do not eat, drink or smoke.
- Wash skin thoroughly with soap and water after handling.
- Remove contaminated clothing immediately after use. Store and wash contaminated clothing separately from household laundry before reuse.

FIRST AID:

EYE CONTACT:

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

SKIN OR CLOTHING CONTACT:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

INGESTION:

Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

INHALATION:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Never give anything by mouth to an unconscious person. Remove victim to safe, uncontaminated area. If victim has ceased breathing, clear airway and start artificial respiration. Obtain medical attention.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

For medical emergencies, call 1-800-331-3148 (24 hours).

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT.

STORAGE:

Store product in original container only, in a secure and dry area away from other pesticides, fertilizer, seed, food or feed. Not for use or storage in or around the home. Keep container closed. Do not store near heat or flame.

DISPOSAL:

Canadian formulators using this product should dispose of unwanted product and container in accordance with municipal or provincial regulations. For additional details and information on disposal of unused,

unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label.
