For product information: 1-888-283-6847

DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide that is registered under the Pest Control Products Act. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Fatal or poisonous if swallowed. Do not breathe dust or vapour. Wear a mask or respirator jointly approved by the Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Wash thoroughly with soap and warm water after handling and before eating, drinking or using tobacco products. Remove contaminated clothing and wash before reuse.

Do not discharge effluent containing this product into sewer systems, lakes, ponds, estuaries, oceans or other waters.

FIRST AID:

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. It is also requested that Bayer CropScience Inc be notified. Telephone number is 1-800-334-7577.

TOXICOLOGICAL INFORMATION:

To Physician: No specific antidote is available. Treat the patient symptomatically.

ENVIRONMENTAL PRECAUTIONS:

Toxic to aquatic organisms. **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters. Apply this product only in accordance with this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE:

Store in a cool, dry place and in such a manner to prevent cross-contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer and the provincial regulatory agency.

Handle and open container in a manner as to prevent spillage. If the container is leaking or material is spilled for any reason or cause, carefully sweep material into a pile and dispose of as directed for pesticides above. Refer to Precautionary Statements on label for hazards associated with the handling of this material. In spill or leak incidents, keep unauthorized people away.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

Detailed information on chemical and physical properties and other formulating recommendations for BAY NTN 33893 Technical Insecticide are available upon request from Bayer CropScience Inc. Obtain and read this information before undertaking the formulation of BAY NTN 33893 Technical Insecticide in order to avoid formulation hazards and insure a satisfactory finished product.

Labeling for products formulated from this product must conform to that which is currently registered under the *Pest Control Products Act*. For specific information on federally registered uses, contact Bayer CropScience Inc. Any variance from the federally registered labeling for products containing BAY NTN 33893 Technical Insecticide will have to be supported by data provided by the formulator.
