DIRECTIONS FOR USE: To be used in the manufacture or formulating of pesticides which are registered under the *Pest Control Products Act*. Formulators are responsible for their own registrations.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. May be harmful if swallowed. Avoid breathing the dust and contact with skin, eyes and clothing. Wear a dust mask when mixing *Octabor*. Wash thoroughly after handling and before eating, drinking or smoking. Do not reuse empty container. Do not contaminate water, food, feed or any body of water.

FIRST AID:

In case of emergency call the U.S. Borax Inc. 24 hour medical emergency number (1) 866-928-0789.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. ***If in eyes:*** Hold the eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control centre or doctor for treatment advice. ***If swallowed:*** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything by mouth to an unconscious person. ***If on skin or clothing:*** Take off contaminated clothing. Rinse the skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. ***If inhaled:*** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

ENVIRONMENTAL PRECAUTIONS: TOXIC to aquatic organisms. **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters. Do not contaminate water or wetland areas with equipment or device rinsates or when disposing of equipment wash-waters.

TOXICOLOGICAL INFORMATION: Note to Physician: Treat symptomatically.

STORAGE: Dry indoor storage is recommended. To minimize caking of the product, bags should be handled on a first-in-first-out basis. Good housekeeping procedures should be followed to minimize dust generation and accumulation.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and

containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.
