Secondary panel :

DIRECTIONS FOR USE: Apply gel sparingly to exposed skin not under clothing and only when necessary. Reapply after 3 hours if necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes and mouth. Supervise applications on children. Do not use on infants under 6 months of age. In 6 months to 2 year olds, do not apply more than once a day. Not for daily use. Avoid application to hands. In 2 - 12 year olds, do not apply more than 3 times a day. May cause skin irritation. Discontinue use if signs of irritation appear. May damage furniture finishes, plastics, painted surfaces and synthetic fabrics.

FIRST AID: If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention if symptoms persist. **If in eyes:** Remove contact lenses, and flush with water for 15 minutes. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically

DISPOSAL: Do not reuse empty container; wrap container and discard in household garbage
