DIRECTIONS FOR USE:

To be used only in the manufacture of a pest control product solely for export from Canada

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: May produce a sensation response or allergic reaction in some individuals. Treat symptomatically.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. May cause eye or skin irritation. May cause dermal sensitization. Wear long sleeve shirt, long pants and chemical resistant gloves while handling the product. Do not inhale vapours. Wash well after handling and before eating, drinking and smoking. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of waste.

STORAGE:

Store in a well ventilated area. Keep container tightly closed. Keep from moisture. Keep away from fire or open flame, or other source of heat.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, [contact the provincial regulatory agency](#) or the manufacturer.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
