KEEP OUT OF REACH OF CHILDREN

170 g – 185 g

Spectrum Brands IP Inc.,
P.O. Box 21001,
Brantford, ON N3R 7W9
1-800-268-2806

This insecticide is for use only in an automatic aerosol dispenser (Cam Spring Action Type), which releases 55 mg of insecticide every 15 minutes. The continuous use of this insecticide will reduce flying insect populations (flies, mosquitoes and biting midges) within a few hours. One can protect an area up to 170 cubic metres for up to 30 days.

USE AREAS: Attics, garages, outdoor storage buildings, crawl spaces such as in basement areas. Use area must have at least 170 cubic meters of free flow air space. *DO NOT INSTALL IN THE LIVING AREAS OF THE HOME SUCH AS THE KITCHEN, BEDROOM OR LIVING ROOM.*

DIRECTIONS: In areas where ceilings are approximately 3 m high, the dispenser should be located 2-2.5 metres above the floor at a point where air circulation will carry particles throughout the area. In areas where the ceilings are low, such as attics and crawl spaces, install the dispenser approximately 0.5 metres from the ceiling. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and insert into dispenser.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50°C. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces such as cars or cabinets.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and P.C.P. Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. When container is empty, press valve to release all remaining pressure. Dispose of empty container in household garbage.

For additional product information or in case of emergency, spills or fire, call toll free 1-800-268-2806.
