**DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT

**PRECAUTIONS:**

KEEP OUT OF REACH OF CHILDREN AND/OR PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. MAY CAUSE EYE IRRITATION AND DAMAGE. AVOID CONTACT WITH EYE, SKIN OR CLOTHING. Avoid inhaling dust. Do not wear contact lenses when using this product. Wear gloves when handling this product. Wash gloves with water before removing them after any operation. Wash hands thoroughly with soap and water after using this product and before eating, drinking and smoking. Avoid contamination of foodstuffs, feed, fish ponds and water supplies. Avoid contact with acetylene.

**FIRST AID:**

If swallowed:

Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes:

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

May cause skin and eye irritation. May cause ulceration of nose and throat. If ingested in significant quantity, stomach evacuation may be indicated and care should be used to minimize repeat exposure to oesophagus.

**STORAGE:**

Store unused product in original container only in a cool, dry, well-ventilated, area out of reach of children and animals. If container or bag is damaged place the container or bag in a plastic bag. Shovel any spills into plastic bag and seal with tape.

**DECONTAMINATION AND DISPOSAL:**

Canadian formulators of this technical product should dispose of unwanted active ingredient and containers in accordance with municipal and provincial regulations. For additional details and clean-up of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
