1-800-268-2806

WHAT YOU WILL SEE:

- Within 48 hours, discoloration and browning of leaves.
- Within 7 days, total browning (burndown) of plant.
- At cool temperatures (below 10°C) and poor moisture conditions, speed of action may be reduced.

WILSON Total WipeOut[®] Max Concentrate IN SOIL:

- WILSON Total WipeOut[®] Max Concentrate has no soil activity, therefore, there are no planting or replanting restrictions and it will not move to affect other vegetation.

KEY POINTS:

- WILSON Total WipeOut[®] Max Concentrate must be diluted prior to use.
- Vegetation must be emerged and growing at the time of application to be controlled.
- New growth must be treated for control.
- Spray only vegetation you want controlled as any desirable plants contacted will be damaged or killed.
- Do not apply WILSON Total WipeOut[®] Max Concentrate to control woody plants or brush.

DIRECTIONS: Use: To control undesirable vegetation in areas such as patios and driveways, or to avoid mechanical trimming of areas such as around trees, buildings and under fences.

Application Instructions: Apply to young, actively growing plants. Apply before grass and weeds reach 30 cm. in height. Spray to ensure uniform and complete coverage.

Controls: Virtually any plant that is green and growing (including most annual weeds and top growth of perennial weeds and grasses.)

Mixing/Coverage: Mix 33-60 mL of WILSON Total WipeOut[®] Max

Concentrate with 1 L of water to cover 10². Use of the higher rate will result in faster burndown of weeds and longer control of perennial weeds. **For Best Results:** DO NOT APPLY if rainfall is expected within 4 hours after application. DO NOT WATER within 4 hours after application as the product effectiveness may be reduced. CAUTION: DO NOT SPRAY IN WINDY CONDITIONS.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. This product may cause eye irritation. Avoid contact with eyes, skin and clothing. The user is encouraged to wear gloves during application. Wash hands after each application. **KEEP CHILDREN AND PETS OFF TREATED AREA UNTIL DRY.** This product contains a petroleum distillate which is moderately to highly toxic to aquatic organisms. Avoid contamination of aquatic systems during application. Do not contaminate these systems through direct application, disposal of waste or cleaning equipment.

FIRST AID: If swallowed, Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If on skin or clothing,** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. **TOXICOLOGICAL INFORMATION:** This product contains a petroleum distillate. Treat symptomatically.

DISPOSAL: Do not reuse empty container. Wrap and dispose of empty container with household garbage.

Satisfaction guaranteed or your money refunded. For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806. www.wilsonproducts.ca
